

17 MODE OF PAYMENT

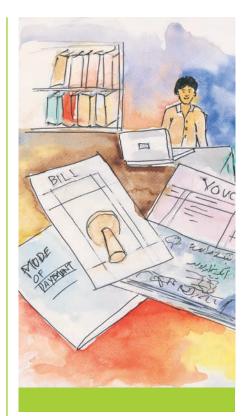

(NAM(APPM.4.2, Audit Manual)

Pre Audit System: The Pre-Audit System is general method of payment. The Drawing & Disbursing Officers submit their claims to the concerned Accounts Office for Pre (payment) Audit and authorization of payments.

Special Drawing Accounts (Personal Ledger Accounts): A Special Drawing Account (SDA previously termed as PLA-Personal Ledger Account) is a facility provided to a delegated authority (office) to incur expenditure up to a prescribed limit, without the requirement for certification and authorisation by the DAO/AG/AGPR. It is a separate ledger account maintained by the DAO/Treasury Office, with the spending limit controlled by these offices. (Non-lapsable PLAs have not been converted into SDAs as yet and previous booking procedure i.e. total expenditure booking on issuance of authorities has not been changed).

Assignment Account: An assignment account is a separate bank account opened in favor of a delegated authority, into which funds are released for specified purposes. An assignment account may be drawn on by the delegated authority (located in a spending Division or Department) without the requirement for certification and authorization by the DAO/AG/AGPR.

- 17.1 Pre Audit System- as per NAM / SAP
- 17.1.1 Every claim voucher (bill) must be certified by an officer in the relevant District Account Office/Accountant General Office/Accountant General of Pakistan Revenue Office and who shall be deemed to be the certifying officer. Once certified (preaudited), the claim voucher (bill) may then be authorized for payment by an officer in the District Account Office/Accountant General Office/Accountant General of Pakistan Revenue Office and who shall be deemed to be the authorizing officer.
- 17.1.2 The authorizing officer must not authorize a claim unless it has been duly certified and sufficient funds are available in the concerned budget head to make the payment. The authorizing officer must not authorize those claim vouchers which do not relate to his/her district office or, for which a written direction has not been received from the Accountant General. The functions of the certifying officer and the authorising officer can not be performed by the same person unless approved by the Auditor-General.
- 17.1.3 Payment must only be made for those claims that have been duly approved, certified and authorized. All expenditures must be classified in accordance with the Chart of Account, under the appropriate expenditure head. Only Government cheques books should be used when making payments by cheque.
- 17.1.4 Every officer authorized to draw cheques or sign or countersign cheques, must send a specimen of his/her signature to the designated

bank branch through the Accountant General (or his delegated officer) whose specimen signature is already with that bank branch. This officer must countersign the signature of the new officer. When such an officer gives his/her charge to another officer, he/she must likewise send a specimen of the signature of the relieving officer to the bank. When an authorized cheque signatory (DDO) vacates his / her position, the next higher officer immediately advise the designated bank branch and the Accountant General.

- 17.1.5 Apart from above the bill is punched in the SAP computer system. The detail of work flow is as under:
- (a) On receipt of claim voucher (bill) in the Accounts Office, a Token # is entered on the bill.
- (b) The bill then is transacted to the concerned pre-audit section.
- (c) The KPO / Senior Auditor (level-O) punches the bill in the system and records a document number generated by the system and sends the claim to the AAO (Level-1). The budget is reduced at this initial level and if budget is not available the document can not be generated.
- (d) The AAO can change or revert a document. In case he is satisfied that the pre-audit requirements are fulfilled, he puts his initial and forwards the document to the AO (Level-2).
- (e) The AO finally certifies or rejects the document. He can not make change in the document at this level. He signes the pay order.
- (f) On forwarding the document by the AO the document appears at level three-cheque preparation level.
- (g) On receipt of passed bill statement from the concerned section the document is posted in the cheque section and cheque is drawn. On posting document the accounting entry is completed and expenditure is booked in the accounts.
- (h) A bank advice of the cheques issued is sent to the main designated bank branch (SBP/NBP).
- 17.2 Manual / Legacy System
- 17.2.1 The pre-audit pay department is responsible for receiving, and for making payment of the claims of all local Civil Departments. On receipt of a claim it should be sent to the section which audits the payment of similar claims made at treasuries, and the payment should be made after the claim is audited and passed by that section.
- 17.2.2 Specimen signatures of officers drawing bills (pay or contingent) should be obtained and pasted in the proper pages of the Audit Registers or in a separate guard file and each auditor should, on receipt of a bill, first of all see that the signature on the bill agrees with that recorded in the Audit Register or in the guard file. The specimen should be attested by the full dated signature of the Branch Officer and a rubber stamp should not be used for the purpose.
- 17.2.3 After the bills have been examined and recorded and the audit enfacements and the amounts passed for payment (in words and figures) written on them by the auditor, they should be laid before the Gazetted Officer in charge with the Audit Registers. The officer, will examine the bill, compare the signature of the drawing officer with his specimen signature in all cases and if satisfied of the corrections of the charges, initial or tick off the entries in the registers and pass the orders for payment. The bills will then return to the Pre-Audit Pay Department.
- 17.2.4 The passed bill will be transferred to the cheque writer, who will prepare a cheque for the net amount in the special form for pre-audit cheques putting his signature after the word entered. He will note the number of the cheque conspicuously on the bill, enter the amount in the Register of Cheques Drawn and lay the cheque and the bill together before the Gazetted Officer in charge. The officer will tick off the number of the cheque, see that its amount agrees with the amount passed, and then sign the cheque and stamp the bill "Cheque drawn"; the passed bill together with the cheque should then be sent to the Cash Department which will date the cheque at the time of delivery. After delivery the Cash Department will attach the payee's acknowledgement to the bill, stamp it as 'Paid', write the voucher number on the upper right hand corner of the bill and enter the payment in the Central or Provincial Register of Cheques Delivered. The cheque will be paid by the Bank and charged in the relevant Central or Provincial schedule of Accountant General's cheques paid attached to the bank's daily account.
- 17.2.5 Payment through Bill/Voucher: The same pre-audit procedure as in case of issuance of cheque is followed. Then the bill/voucher after recording payment order therein and embossing seal instead of cheque

is/was delivered to the Drawing Officer/Payee or authorized representative for presentation at Bank for payment after proper identification. The bank shall be responsible for strict adherence to this order and for obtaining upon the bill proper discharge from the payee.

Difference between the Legacy and NAM/SAP Pre-Audit systems

Legacy

- 1. Payment was made by cheque as well as through passed bills.
- 2. The date of issuance of cheque was written on the cheque at the time of delivery of the cheque to the representative of the office concerned.
- The date of receipt of cheque is the date of recording expenditure. In case of handing over passed bills to the offices expenditure is/was booked on drawl of cash.
- 4. The budget availability check was applied manually in the appropriate Registers.
- 5. The vouchers were posted manually after issuance of cheques.

NAM / SAP

- 1. Payment is made by cheque only through computer system -SAP
- 2. The date of issuance of cheque is the same date of drawl of cheque by the DAO/AG irrespective of the fact that when cheque would be collected by the client office.
- 3. The date of issuance of cheque is the date of recording expenditure accounting entries.
- 4. The budget check is applied through computer (SAP system). The document can only be punched by KPO if budget is available, provided budget check is operative in SAP system.
- 5. All the accounting entries are recorded automatically as soon as KPO punches the document and these entries appear in accounts on posting for payment to draw the cheque.
- 17.3 Issuance of Cheques in Lieu of Lost and Time Barred Cheques etc.
- 17.3.1 If a cheque is lost and a new cheque is required to be issued a stop payment notice is a specific direction given by the cheque signatory officer to the bank on which that cheque was drawn requiring it to refuse to pay the cheque if presented. This mechanism may be used to protect the interests of both the Government and the payee; for example, where a cheque is not received by the payee, or lost or stolen. A replacement cheque will only be issued to the concerned payee if the original cheque has been stopped by the cheque signatory officer (by giving stop payment notice to the bank) and the bank's written acknowledgement has been obtained.
- 17.3.2 If a cheque has not been claimed or has not been presented and paid within the valid period (within 3 months), it is stale and may not be negotiated. A new cheque shall be issued when the stale cheque is returned (deposited) by the payee of the cheque to the concerned DAO/AG/AGPR. The old cheque shall be marked 'cancelled' and a new cheque shall be issued.

Personal Ledger(SDAs) and Assignment Accounts

- 17.4 Establishment and Working of Assignment & Personal Ledger Accounts (Special Drawing Accounts)
 (Para 17.3 of APPM read with CGA's letter # AC-II/6-23/99/Vol-XIV/160, dated 14th July 2007 and # AC-II/1-39/08-Vol-V/632, dated 24th September 2008)
- 17.4.1 Assignment Accounts
- 17.4.1.1 An assignment account is a separate bank account opened in favour of a delegated authority, into which funds are released for specified purposes. An assignment account may be drawn on by the delegated

authority (located in a spending Division or Department) without the requirement for certification and authorisation by the DAO/AG/AGPR.

- 17.4.1.2 Each assignment account is established at designated branches of the NBP in fixed currency. In cases where a project or other activity receives both GoP funding and foreign donor funding, separate Rupee and \$US assignment accounts must be maintained.
- 17.4.1.3There are two types of Assignment Accounts:
- (a) Assignment Accounts used by the Self Accounting Entities
- (b) Assignment Accounts that are used by other organizations or for Development Projects

17.4.2 Personal Ledger Accounts (SDAs)

- 17.4.2.1 A personal ledger account (PLA) is also a facility provided to a delegated authority to incur expenditure up to a prescribed limit, without the requirement for certification and authorisation by the DAO/AG/AGPR. However unlike an assignment account a PLA is not a bank account it is a separate ledger account maintained by the DAO/Treasury Office, with the spending limit controlled by these offices, rather than the NBP. There are two categories of PLA:
- (a) Lapseable PLA
- (b) Non-Lapse able PLA (Funds released in a particular fiscal year under this type can be drawn even in the next fiscal year(s)
 - Note: The revised procedure as per Special Drawing Accounts has not so for been implemented in case of non-lapsable Personal Ledger Accounts

17.4.2.2 General Policies

- (a) Assignment accounts and PLAs shall only be established with the approval of FD, in consultation with AGPR/AG.
- (b) Because both assignment accounts and personal ledger accounts by-pass a significant number of key controls specified in Chapter 4 of APPM, their establishment and use shall be strictly limited to those situations where prompt payment is a necessary requirement of the entity.
- (c) Where assignment account or PLA expenditure is incurred from the Consolidated / Local Fund, its funding must be included in the Schedule of Authorised Expenditure for a given financial year. Consequently, the balance remaining in each assignment account at the end of each financial year must lapse (i.e. balance of funds not carried forward to the next year)..
- (d) Assignment accounts and PLAs / SDAs must not be used for the collection and recording of receipts.

17.4.3 Establishment of new Assignment Account

- 17.4.3.1 Upon approval for the establishment of an assignment account, an allocation of funds to the account is made. This allocation will be based on clearance by the FD in consultation with CGA. The allocation shall be communicated to the relevant AG.
- 17.4.3.2 The Accountant General shall then issue a letter of assignment (form 17A) to the relevant DAO/Treasury Office with an endorsed copy to the branch manager of the State Bank of Pakistan / NBP, within whose area the account is opened. The letter of assignment shall specify the following details of the account to be opened:

Account name

The Bank branch from which it shall operate

Authorised cheque signatory and specimen signature

Drawing limit of the account

Budget head to which the release of funds shall be made

Any other conditions for the operation of that account.

- 17.4.3.3 Upon receipt of the letter of assignment, the delegated officer in the DAO / Treasury Office shall arrange for the opening of the assignment account at the designated branch of the National Bank of Pakistan, in the name of the authorised cheque signatory. At the same time, this delegated officer shall update the Appropriation Register by the amount of funds released against the assignment account.
- 17.4.3.4 The authorised cheque signatory for the assignment account shall then be supplied with an official cheque book by the AG / DAO/Treasury Office, for the purpose of official withdrawals from the account.
- 17.4.3.5 The funds to the Assignment Account and PLA / SDA would be released by the concerned AG.

17.4.4 Establishment of PLA / SDA

17.4.4.1 When approval has been given for the establishment of a PLA / SDA, the AG shall advise the relevant DAO/Treasury to establish the PLA / SDA in its records. This advice will include the following details:

Name of account

Authorised cheque signatory and specimen signature

Drawing limit for the account

Budget head to which the release of funds shall be made

Any other conditions for the use of the account

- 17.4.4.2 Each personal ledger account / SDA shall then be established as a separate budget head in the Appropriation Register by the relevant DAO / Treasury Office, for the purpose of controlling the balance of each account
- 17.4.4.3 The DAO / Treasury Office shall then issue an official cheque book to the authorised cheque signatory, from which cheques may then be drawn after release of funds issuance of authority for release of funds.

17.4.5 Processing of payments

- 17.4.5.1 Cheques shall only be drawn by the authorised cheque signatory where it is required for immediate disbursement or reimbursement of expenditures previously incurred.
- 17.4.5.2 All cheques drawn from assignment accounts and PLAs / SDAs must be countersigned by a delegated authority in the responsible department.
- 17.4.5.3 All cheques drawn in respect of PLAs /SDAs must be endorsed by a delegated officer in the DAO /Treasury Office prior to encashment. This delegated officer shall check the following before endorsing payment. Sufficient funds exist within the nominated PLA / SDA, for the payment to be made (as indicated in the budget head in the Appropriation Register)

The cheque has been drawn only by the authorised cheque signatory.

The cheque has been written in proper form, from an official chequebook.

17.4.6 Year-end controls and adjustments

- 17.4.6.1 No cheques are permitted to be drawn from assignment accounts or PLAs /SDAs (Lapsable) after 30th June, against the Schedule of Authorised Expenditure from the previous financial year.
- 17.4.6.2 Any amounts left outstanding in the cheque clearing account as at 30th June represent those cheques drawn before the end of the year but not yet cashed at the bank. Sufficient funds shall be retained in the respective assignment account / PLA / SDA to ensure these cheques are cleared.

17.4.7 Closure

- 17.4.7.1 Assignment accounts and PLAs / SDAs must be promptly closed when the relevant activity for which they were established has been completed or has been otherwise wound up.
- 17.4.7.2 Any unreported payments by the DDO identified in this reconciliation shall be verified with them, and appropriate adjusting entries made to bring the accounting records up to date, and reconciled to the bank statement.

- 17.4.8 Reporting: To provide a consolidated summary of assignment account and PLA / SDA balances used in the bank reconciliation described above, each DAO / Treasury Office shall submit details of assignment account and PLA balances to their relevant AG/AGPR at the end of each month.
- 17.4.9 Budgeting and Reconciliation
- 17.4.9.1 The drawing authorities shall be responsible for preparation and submission of detail object wise estimates to the MoF / FD for budgeting process.
- 17.4.9.2 The expenditure will be recorded on daily basis and will be reconciled with the DAO/TO by 7th of each month.
- 17.4.10 Post Audit:The drawing authorities will submit monthly account of expenditure supported with copies of paid vouchers to the concerned DAO/TO for post audit. The DAO will carry out 100% audit themselves whereas TO will submit these voucher to the AG for requisite Post Audit.

Note: The above mentioned revised procedure will not be applicable to departmentalized Accounting Offices.

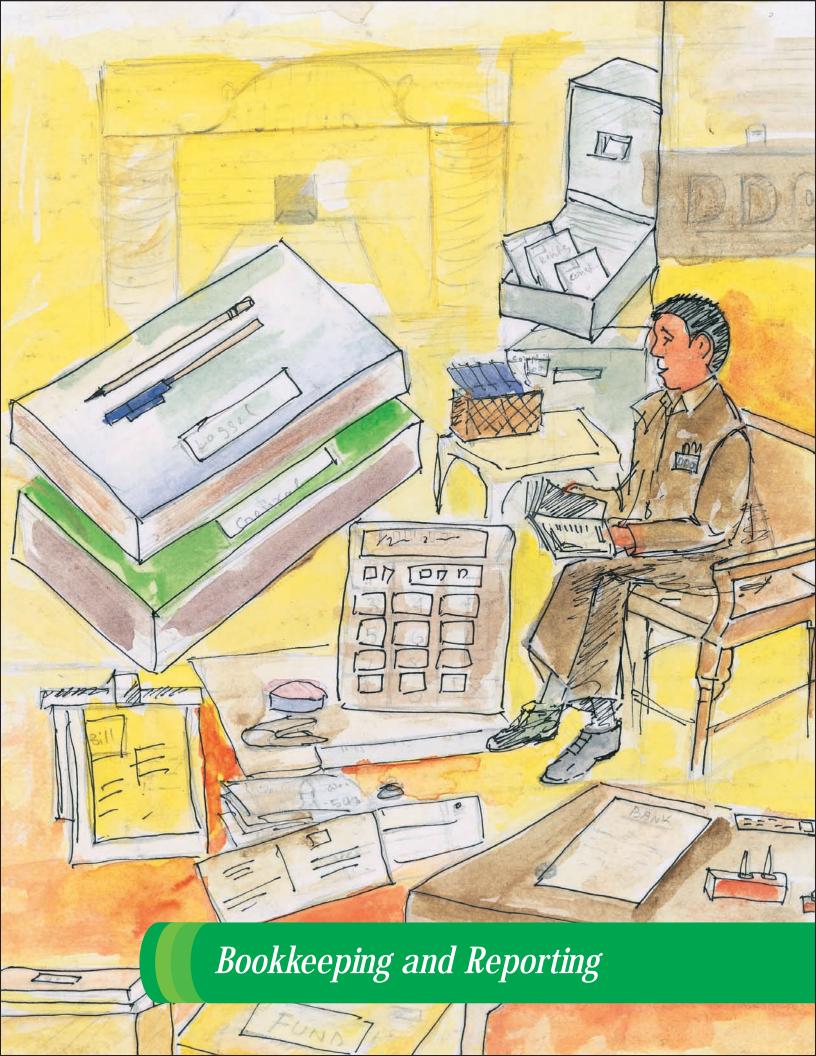

- 17.5 Accounting Policies
- 17.6 Recording of Expenditure
- 17.7 Procedure Under NAM
- a) Expenditure in relation to assignment accounts will be recognised in the accounts when cheques of Assignment and SDA (PLA) have been drawn by the cheque signatory in accordance with revised procedure.
- b) Expenditure in relation to PLAs / SDAs will be recognised in the accounts when payment has been endorsed by the respective DAO/Treasury Office maintaining that account, prior to encashment
- c) Expenditure in relation to Assignment Accounts would be recorded in accounts on issuance of cheques by authorities allowed to draw cheques on the assignment accounts. In order to record expenditure upon issu of cheque, the concerned DDO shall ensure that a copy of schedule (containing detail of cheques) is received in the concerned AG / DAO office on daily basis. Following booking will be made by the AG /DAO on receipt of this schedule:
 - Dr Detailed expenditure head
 - Cr G01191- Assignment Account Cheques

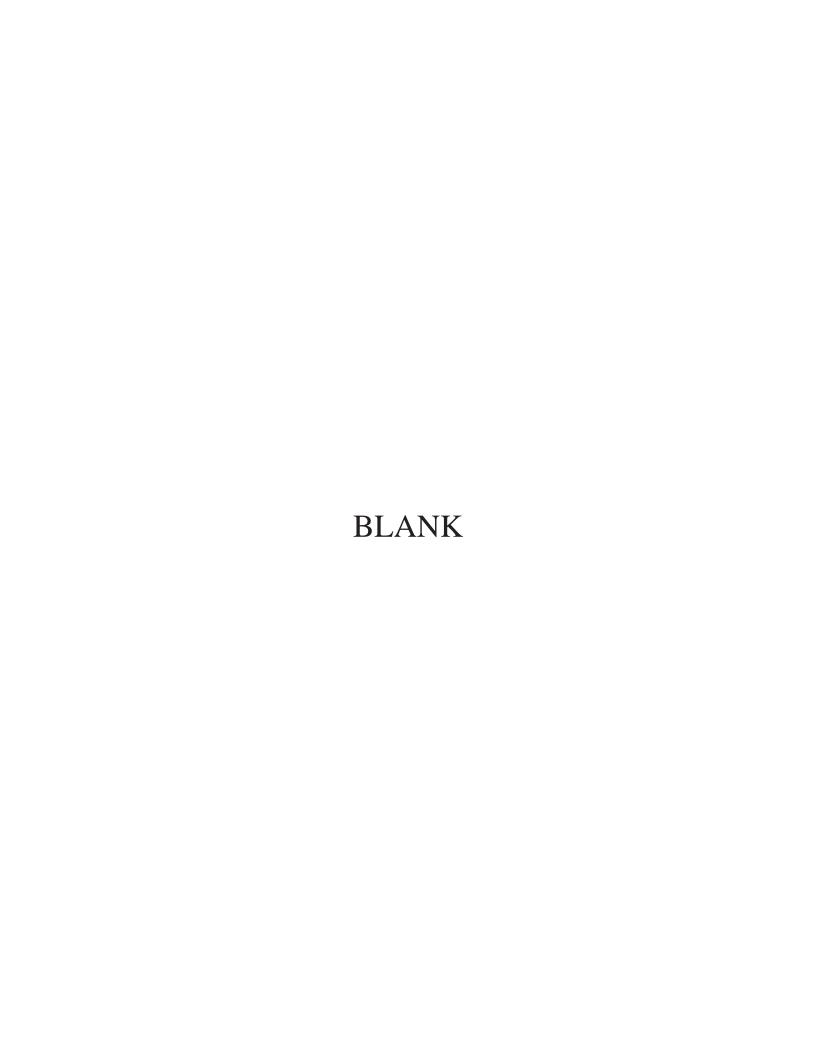

On receipt of paid cheques from the bank, Treasury Officer will made following account entry in his accounts:

- Dr G01191- Assignment Account Cheques
- Cr Bank Account
- (CGA office letter # AC-II/1-39/08-Vol-V/632, dated 24th September 2008)

18 BOOKKEEPING AND REPORTING

- 18.1 Maintenance of Cash Book (FTR.76-77, PFR-1, GFR.132)
 In every office, wherever the Government cash is handled, a cash book should be maintained in prescribed Form.
- 18.2 Procedure of Recording Entries
- 18.2.1 All monetary transactions should be entered in the cash book as soon as they occur and attested by the Head of office or by any gazetted officer (DDO) authorized by him in this behalf, in token of his having checked it. When a cheque is drawn by an officer (DDO) in favour of self or in order to replenish the cash chest, its amount should at once be entered as a receipt. This entry must not be delayed until the money has been received after encashment of the cheque. Whenever any amount in the custody of a Government Officer is deposited into treasury or bank, the entry in the cash book should be compared by the Head of office, with the treasury receipt, chalan or bank pass book and then the attestation may be done. When the deposits into Banks/Treasury are appreciable, the Treasury Officer may be asked to issue a consolidated receipt for all remittances made during the month, which should be compared with the postings made in the cash book.
- 18.3 Entries of Disbursement out of Permanent Advance
- 18.3.1 On creation/enhancement/recoupment of Permanent Advance an entry in the cash book on Receipt side of the cash book is made. Petty expenses/payments incurred out of Permanent Advances are required to be entered on the payment side of the cash book in the column 'out of Permanent Advance provided for the purpose. On closing of the cash book the unspent balance is taken as a by balance / closing balance and ultimately that un-spent balance becomes the opening balance for the next day. The cash memos, for which cash paid out of permanent advance, are claimed through bills, under the appropriate detailed. Object heads and on receipt of cheque in favour of DDO cash the amount is recouped/reentered in the cash book on the receipt side and this cycle is continued. The detail of entries and recoupment has been depicted in the next pages.
- 18.3.2 All cheques/cash drawn on claims submitted under signatures of the DDO to the Accounts Office in favour of employees i.e pay & allowance, GPF Advance, Medical, T.A etc and of contractor/vendors for supplies services, repair and utilities etc are entered on receipt side of the cheque/cash and on payment of the entries must be made on payment side of the cash book.
- 18.4 Corrections Entries in Cash Book

The entries in the cash book should be very neat and clean. If there is an error, it should be corrected by drawing the pen through the incorrect entry and inserting the correct entry in red ink between the lines. All the corrections should be duly attested over the dated initials of the Head of office.

- 18.5 Closing of cash book and Carry Forward of Un-paid Balances
- 18.5.1 The cash book should be closed regularly on all days, whenever there is any transaction. The totals should be checked by the head of office himself or should be got checked through some responsible subordinate other than the writer of the cash book. The totals should be initialled as correct by the Head of the office. The cash balance is required to be verified at frequent intervals of not more than a week. At the end of the month when the cash book is finally closed, the cash balance should be verified by the head of office and a signed and dated certificate recorded to that effect in the cash book. The cash in hand should be mentioned in figures as well as in words. The balance in hand should also be analysed.
- 18.5.2 The cash book is required to be closed on each day whenever any transaction even out of permanent advance of receipt or payment is made. The entries of both sides are totaled and un-disbursed balances are entered below the totals of payment side as and a second total (total of the day + undisbursed balance) on payment side is worked out. The sum of each column and total of receipt side should tally with the payment side. The un-disbursed balances depicted as by balance entries on the payment side are carry forwarded as opening balance on receipt side for the next day.
- 18.6 Requisite Certificates on Closing of Cash Book

The requisite certificates on monthly closing of the cash book are as under:

Certificate by the DDO

It is certified that the cash balance amounting to Rs......(Rupees......) has been checked and found correct.

Certificate by the Head of Office or Other Officer Nominated by him

It is certified that the requirement of the Treasury Rules has been observed and the total for the month ofhas been found correct and authenticated.

18.7 Expenditure Statement

After the close of the calendar month each office prepare and subject an expenditure statement, containing details of budget allocation, expenditure up to the previous month, expenditure for and up to the current month to its head office / head of department. The specimen of Form of expenditure statement (BM-1) given as prescribed in the Budget Rules, 2003 is given on Annex N.

18.7.1 Instruction for Preparation

- (a) All transaction for which cheques or cash (in Districts where NAM/SAP has not been implemented) upto the last working day of the month are included for the expenditure statement.
- (b) Before finalization of the statement it may be ensured that all cheques issued by the AG/DAO during the month have been received to avoid variation between the expenditure and reconciliation statements.
- (c) In the expenditure statement the gross expenditure of the claim is entered e.g DDO sent a salary claim amounting to Rs.105,000/- (Gross) and cheque of Rs.90,000/- (by net) after deducting recoveries and deductions of GPF, Benevolent Fund, Income Tax, HBA etc, is drawn the total gross expenditure of Rs.105,000/- under the various detail object head of account would be recorded.
- (d) Expenditure under the budget heads of the office whether entered in cash book or not, beginning with alpha-A are taken in the statement. Payments drawn on account of GPF, HBA & Conveyance Advances, Pension / Commutation, etc are not part of the expenditure statement of the offices.

18.8 Reconciliation Statement

The expenditure figures for and up to the month are reconciled with those of Accounts Office. In reconciliation statement the departmental and Audit (Accounts Office) expenditure figures are compared and variations, if any are pointed out. In case of variations the same may be identified in consultation with the Accounts

Office and reconciliation will be carried out with variation. The specimens of reconciliation statement as prescribed in the Budget Rules Form BM-2 and present format of reconciliation in the AG's office are given on Annex N.

18.9 Nature of Variations and Settlement of Variations

- (a) If the variation exists in the departmental figures that can be removed but if the variation is in the Audit figures that would be settled in next month's account by the Accounts because that office can not change/correct its figures after the finalization of the monthly account. But this does not mean that reconciliation would not be carried out. The reconciliation would be carried out / signed and variation, if any, would be identified and settled by the accounts office in their hand acknowledgement.
- (b) The offices prepare reconciliation statement as per expenditure figures of expenditure statement; therefore, the expenditure statement should be prepared carefully after receipt of the details of expenditure of the month from the Accounts Office to avoid variations.
- (c) The expenditure booked by the DAO/TO on account of postage stamp may also be entered in the expenditure and reconciliation statements.
- (d) The cause of variation between "Departmental" and Audit figures may be mis-posting by the Accounts Office. In case of reconciliation of consolidated figure another reason would be that the Accountant General's Office do not book / take into account monthly expenditure figures of DAO(s) due to late receipt of monthly accounts (after the finalization of monthly consolidated account) or miss posting etc. The departmental representatives bring with them reconciliation statements, duly filled in including Audit Figures which are required to be replaced or altered in case of variation or non-booking by the Accounts Office. To avoid this situation the offices should left blank the columns of Audit figures and to fill these in the Accounts Office or obtain confirmation telephonically from the concerned employees of the Accounts Office especially where reconciliation is carried out at other station/city.

18.10 Illustration

The variations existed / identified in the reconciliation statement are to be settled in the reconciliation statement for the next month as per following illustration:

18.11 Refund of Expenditure during / after Close of the Fiscal Year

(Article-22 of Account Code, Volume-IV)

18.11.1 Sometimes the offices draw cheques of T.A advance, pay & allowances contingencies etc which are not utilized / disbursed due to various reasons e.g T.A advance on tour is drawn but tour cancelled. In some cases recoveries of overpayment are also required/to be made. If the refund is made within the same fiscal year, before 30th June either through bank deposit or short drawl, the same is taken as deduct expenditure and reduce the expenditure and restore the budget of the office to the extent and hence, no separate adjustment will be made. In case of refund by depositing cash in bank the Function Code, DDO (Cost/Fund Center #) Object Code should be written in the receipt voucher (challan) so that TO/DAO may post the adjustment accordingly.

18.11.2Refund of Expenditure after 30th June

If a refund of over drawl / un-disbursed amount under the object head(s) with alpha 'A' (Consolidated Fund-Payment) is detected/required to be made after the close of the fiscal year the amount may be adjusted by short drawl or deposited into the bank under the head "Recovery of Overpayment" in accordance with accounting principles.

Sample cash book and Reconciliation Statement are placed at ANNEX-XII and ANNEX-XIII.

All sanctions endorsed to the District Accounts Officers/Treasury Officers giving clearly the name/designation/teelphone numbers so that before admitting the sanction/claim they should seek confirmation on telephone. Any change of specimen signatures/telephone numbers on telephone reported to the quarters concerned.

I am to request/to you kindly direct all concerned under your administrative control to ensure that rules & instructions are strictly followed. (This issued with the approval of the Finance Secretary).

Budget Forms

П

According to Punjab District Government and TMA Budget Rules 2003, budget is a statement of receipts and expenditures of local government during a financial year and thus reflects the policies, priorities, financial strategy and operational plans in financial term. This definition has changed the scenario altogather and now budgeting is not a mechanical exercise but involves careful review and assessment, monitoring and implementation. To achieve all these goals, the Budget Rules 2003 introduced 48 new forms. These forms will be used for preparation, compilation and managing the budget.

| 5. | Where the taxable income exceeds Rs.400,000 but does not exceed Rs.450,000 | 2.50% |
| 6. | Where the taxable income exceeds Rs.450,000 but does not exceed Rs.550,000 | 3.50% |
| 7. | Where the taxable income exceeds Rs.550,000 but does not exceed Rs.650,000 | 4.50% |
| 8. | Where the taxable income exceeds Rs.650,000 but does not exceed Rs.750,000 | 6.00% |
| 9. | Where the taxable income exceeds Rs.750,000 but does not exceed Rs.900,000 | 7.50% |
| 10. | Where the taxable income exceeds Rs.900,000 but does not exceed Rs.1050,000 | 9.00% |
| 11. | Where the taxable income exceeds Rs.1050,000 but does not exceed Rs.12,00,000 | 10.00% |
| 12. | Where the taxable income exceeds Rs.1,200,000 but does not exceed Rs.1,450,000 | 11.00% |
| 13. | Where the taxable income exceeds Rs.1,450,000 but does not exceed Rs.1,700,000 | 12.50% |
| 14. | Where the taxable income exceeds Rs.1,700,000 but does not exceed Rs.1,950,000 | 14.00% |
| 15. | Where the taxable income exceeds Rs.1,950,000 but does not exceed Rs.2,250,000 | 15.00% |
| 16. | Where the taxable income exceeds Rs.2,250,000 but does not exceed Rs.2,850,000 | 16.00% |
| 17. | Where the taxable income exceeds Rs.2,850,000 but does not exceed Rs.3,550,000 | 17.50% |
| 18. | Where the taxable income exceeds Rs.3,550,000 but does not exceed Rs.4,550,000, | 18.50% |
| 19. | Where the taxable income exceeds Rs.4,550,000 but does not exceed Rs.8,650,000 | 19.00% |
| 20. | Where the taxable income exceeds Rs.8,650,000 | 20.00% |

3. MARGINAL TAX RELIEF FOR THE SALARIED TAXPAYER S.

Where the total income of a taxpayer marginally exceeds the maximum limit of a slab in the table, the inc ome tax payable shall be the tax payable on the maximum of that slab plus an amount equal to -

- (i) 20% of the amount by which the total income exceeds the said limit where the total income does not exceed $500,\!000$
- (ii) 30% of the amount by which the total income exceeds in each slab but total income does not exceed $10.50,\!000$
- (iii) 40% of the amount by which the total income exceeds in each slab but total income does not exceed $20,\!00,\!000$

- (iv) 50% of the amount by which the total income exceeds in each slab but total income does not exceed 44,50,000
- (v) 60% of the amount by which the tot al income exceeds in each slab but the total income exceeds 44,50,000"

The calculation of marginal relief and tax payable under these provisions of law is explained through the following examples:-

EXAMPLE NO. 2

| me | Slab No. | Rate of tax | Tax | Increase in tax | Percentage of tax on marginal income |
|----|----------|--------------|----------------|-----------------|--|
| | 06 07 | 3.5% 4.5% | 19250 25200 | 5950/- | 60% |

Marginal relief according to formula (ii)

Tax payable on the maximum of the slab : Rs. 19250 *20% of the marginal increase of Rs.10000 : Rs. 2000

To tal tax payable : Rs. 21250 Relief (25200 - 21250) = Rs. 3950 Effective rate of tax (21250/560000*100) : 3.79%

4. ANNUAL STATEMENT OF DEDUCTION OF INCOME TAX TO BE TREATED AS A RETURN OF INCOME.

Annual statement of deduction of income tax filed by the employe r, where the entire income of a taxpayer consists of "salary", will be treated as a return of income of the salaried person

$7.\ \underline{Taxation\ of\ accommodation\ provided\ by\ the\ employer}$

For the purpose of calculation of value of the accommodation perquisite, the amount of house rent that would have been pa id by the employer (if house was not provided) shall be included in the salary for tax purposes.

8. ADJUSTMENT OF TAX LIABILITY OF SALARIED TAXPAYERS BY EMPLOYERS BEING WITHHOLDING AGENT.

Every employer, while deducting income tax on the income chargeable under the head "Salary" of its employees, is allowed to make such adjustments, as may be necessary, for any excess deduction or deficiency arising out of any previous deduction or failure to make deduction during the Tax Year under the provisions of section 149 of the Income Tax Ordinance, 2001.

About Districts That Work

USAID's \$26 million DTW project promotes a 'governing-for-results' mindset, i.e., an outcome oriented, citizen focused approach to governance with the capacity to deliver improved services. The project currently works in 30 districts and 30 tehsils/talukas across Pakistan providing skills and tools necessary for effective, inclusive, responsive and accountable local governance.

Working With

District Administration:

Assisting governments become more responsive to citizen needs by increasing transparancy and using efficient financial management procedures.

Engaging elected officials, managers, service providers and service users for more inclusive decision making. This results in the design of concrete, results-focused action plans that improve service delivery.

Improving district capacity to utilize local health and education information systems for decision-making.

District Council:

Helping district councils develop oversight on district administration's responsiveness to citizen needs.

Building council capacities for financial oversight and effective monitoring of health and education services in the district.

Tehsil Municipal Administration:

Helping administrations to improve management of water and sanitation services and increasing their own-source revenues.

Citizens of participating districts:

Helping citizens participate in district planning and budgeting and become involved in decisions that affect their lives. We do this by helping implement existing legal provisions for public consultations on the district investment budget; increasing the transparency of district decision making on allocation of funds to community groups; and by improving the quality of funding proposals submitted by community groups.

Provincial Governments:

Working with Provincial governments to identify strategies that improve capacity building support for local governments and advance the aims of devolution.

Local Government Forums:

Strengthening the system of inter-governmental relations, by promoting policy dialogue on key aspects of decentralization, such as taxing powers, fiscal transfers and civil service reform.

DTW support is complemented by a system of in-kind assistance through the District Support Fund.
